ATTENDANCE

Our school attendance target this year is 97%

Class attendance for the last week:

Y1	92.7%
Y2	83.3%
Y3	98%
Y4	100%
Y5	92.9%
Y6	96.9%
Overall	95.2%

Unfortunately, we have not achieved our attendance target this week.

Keeping Warm at School!

One of the extra protective measures we have had to put in place to try to stop the spread of the virus is by creating more ventilation.

For this reason, we have more doors and windows open in school. The heating is on as high as it can be, but at times it does feel a little more chilly and draughty.

Perhaps your children have come home and mentioned this?

The secret to helping your children keep warm in this situation is by sending them wearing extra layers under their uniform as this will trap in heat and by making sure they always come to school with a sweatshirt or fleece on. Thank you.

Announcing

The Head House Captain and Deputies

Hadeel Boughossa (Y6) has been selected to be the school's Head House Captain and her two Deputy House Captains will be Anais Carroll and Harmon Gogar (also Y6).

Congratulations and thank you to these three pupils for applying and agreeing to take on such important positions in the school!

READING STATISTICS 16th - 20th November

As parents will already know, improving reading has been big priority for our school in the last few years during which time we have been working hard to help your children develop a love of books. This year we want to continue with the reading challenge initiative - encouraging pupils to read at least 3 times a week at home.

Below are the figures for how many pupils read at least 3 times during last week:

Yr1: 48%

Yr2: - no data as self isolating

Yr3: 63%

Yr4: 75%

Yr5: 35%

Yr6: - no data as self isolating

We're aiming for at least **75%** in each class, each week, so well done to Y4 for achieving this target this week!
