### Holidays during term time

Please remember there will be no authorised leave during term time.

### Holidays during half term

We are still in the midst of a coronavirus pandemic and so the Foreign, Commonwealth and Development Office is still strongly advising against travel overseas. Returning from ANY country abroad also requires a 10 day quarantine period.

School hopes parents would consider these facts very carefully before travelling abroad during the Easter holiday  
(1st April - 16th April)

However, if you still do decide to travel overseas, please let us know, so we can advise you on our expectations of home learning and the dates your children can come back to school.
