Y2	96%
Y3	99.2%
Y4	95.5%
Y5	95.4%
Y6	91.7%
Overall	95%

Unfortunately we have not achieved our attendance target this week.

Holidays during term time

Please remember there will be no authorised leave during term time.

!CAUTION! "Squid Game"

Currently, there is a new series called "Squid Game" on Netflix. School would like to take this opportunity to remind parents about PEGI ratings. Certain TV programmes are given a PEGI rating because the content is inappropriate for children.

"Squid Game" has a PEGI rating of 15, meaning that anybody under the age of 15 should not be watching it due to the graphic and disturbing content, even if an adult is watching it with them. Please be sure to check the PEGI rating of anything your child watches and be advised that they should not be watching Squid Game.

Reading Stats

Class reading percentages for reading 3x or more at home this week:

Y1	62%
Y2	60%
Y3	62%
Y4	85%
Y5	96%
Y6	68%

Congratulations to Y5 who are this week's winners!
But also well done to Y4 whose score was above 80% (the target score).

Do you live in Manchester or Salford?

From time to time, we all need a little help and sometimes it's hard to know where to turn. Wood Street Mission helps support families living on a low income in Manchester and Salford, with practical help and services.

You can get help with children's clothes, toys, bedding, baby equipment and toiletries through the Family Basics service, from the base here in Manchester City Centre. Families can come along to the Book Clubs, to pick up books to take home and have a fun morning together each school holiday. The SmartStart project can help you with school uniform and other school kit for your children and at Christmas there's help with gifts for your children.

Christmas is an expensive time of year for all families but Wood Street Mission knows for the families they support it can be a time of worry, stress and upset to not be able to provide presents for your children to open on Christmas Day.

How does it work?

Please see Mrs Gregory in the office before Wednesday 10th November.

A colorful poster for Bonfire Night safety. The background is dark brown with illustrations of fireworks and a bonfire. The title 'Bonfire Night' is in large, orange, bubbly letters. The poster is divided into 'Do's' and 'Don'ts' sections, each with a thumbs-up or thumbs-down icon. A 'DID YOU KNOW?' box is on the left, and contact information for St John and British Red Cross is on the right. A central logo for 'BEX TAYLOR DESIGN' is also present.

How to be safe on Bonfire Night

Do's

- Stay far away from the bonfire and fireworks when lit.
- Only light one sparkler at a time and wear gloves.
- Before having an adult light the bonfire, get them to check for any animals hiding in it.
- Keep pets indoors during bonfire night.

Don'ts

- Go near a firework after it's just been lit, even if it hasn't gone off.
- Touch fireworks after they've gone off. Let an adult do that.
- Touch a sparkler after it's gone out, they're really hot!
- Let fireworks off after 11pm, it's illegal!

DID YOU KNOW?

- Fireworks can travel at speeds of over 150mph
- The first recorded fireworks display in England was at the wedding of King Henry VII in 1486
- The average sparkler burns between 1000°C and 1500°C
