Dear Parents/ Carers,

What a wet week we've had. I'm quickly getting used to the Manchester weather!

On 16th September we celebrated National Teaching Assistant Day and this week we have celebrated National Teachers' Day. I would like to take this opportunity to thank all of the staff here at Cheetwood. They work incredibly hard each and every day. Our work around curriculum development supports the children to become good Mathematicians, Writers, Readers as well as Historians, Artists, Sports people, etc. They nurture each child's interests and teach them the transferrable skills in order to be good local and global citizens.

This week, I have been working with the House Captains and Vice House Captains. They have been working on their opening speeches for their house meetings in the coming weeks. This year the house captains and their teams will be promoting our five golden rules. Please do talk with your child about our school rules and see if they can think of any good examples of when they have followed one of the rules.

1. Treat everyone with respect
2. Be kind and polite at all times
3. Listen to instructions and follow them
4. Always try your best
5. Take care of property and the environment

This week I have received some guidance on the '**Cost of Living Crisis**' from Manchester City Council. Please see below. To support Manchester residents through the cost-of-living crisis, Manchester City Council will be providing an advice line that will offer:

1. Support with benefits and help with your rent (this is an existing offer made available through the contact centre)
 2. Advice about debt and paying bills (this will be done in conjunction with Citizen Advice Manchester)
 3. Food support (residents will receive a call back to understand their needs and connected into a local food offer)
 4. Support getting online (residents will be linked in with the Council's digital inclusion team)
- The advice line will go live at 09.00hrs on 3rd October 2022.

By Phone: The advice line can be accessed via a free phone number 0800 023 2692. The line will be open 9:00-4:30 Monday to Friday. Agents on the phone line will have access to language line for those residents whose first language is not English. Sign Video will also be available for residents who may require this facility.

On line: An on line form will be available at <https://www.manchester.gov.uk/helpinghands> for those who do not wish to contact by phone. The advice line will also have its own web page that will have links to information of how residents are able to access support. <https://www.manchester.gov.uk/helpinghands>

And finally a reminder that school will be closed for children on Monday 17th October for a staff training day.

I hope you all have a lovely weekend!
