Dear Parents/ Carers,

On Monday our Year 6 children attended Crucial Crew, Manchester, a safety workshop which tackles issues such as personal safety, rail and transport safety, crime and anti-social behaviour. The children thoroughly enjoyed the experience and were able to talk about their learning when they returned to school. I am proud to say that the children were excellent representatives of our school – well done Year 6!

Our parent meeting events started today with Year 4. All other year groups are planned over the coming week. If you haven't managed to book a time slot or are unable to make it, please speak with your child's class teacher.

Today marks Armistice Day and all the children observed a minute silence at 11am. In both Phase One and Phase Two assemblies, we talked about remembering the men and women who have served in the military and who have fought to defend our freedom.

Next week is National Maths week. The aim is to raise the profile of mathematics throughout England and enable children from all social and economic backgrounds to access and enjoy interesting mathematical experiences. I'm looking forward to seeing all the exciting Maths challenges throughout the school.

I hope you all have a lovely weekend.
