## Progression overview for KS1 & KS2

**Outline ideas and practices, linking different viewpoints:** Pupils consider some different possible meanings for two parables of Jesus, considering what the parables mean to Christians today. They rank the possible interpretations, giving a reason why they consider one is a better interpretation than another – such as its coherence with other gospel accounts, or with wider Christian teaching.

**Explain diverse ideas and viewpoints clearly in various forms:** Pupils are given eight quotes, four of which claim religion is a force for good, and four of which say it does more damage than good. They use the ideas to explain their viewpoint about the question 'Is religion a force for good or not?'

**Notice and find out about religions and worldviews:** Pupils show curiosity about what Jews or Christians do each day or each week. They notice some details which interest them, and find out more from a book, an artefact, a photo or some other source.
