

PE & Sport Newsletter

Autumn Term 2022

Welcome to the first edition of Cheetwood Primary School's PE newsletter for this academic year. We have made the decision to release the newsletter every term, so please look out for the next one in March! The children have been up to lots in the first term, we hope you enjoy finding out all about it.

Sports Premium Funding - Update

Schools receive this funding to support the teaching of PE, raise the profile of physical activity and encourage children to take part in a wide variety of sports as well as promoting healthy wellbeing. There are five key indicators in which the funding can be spent, these include:

1. The engagement of all pupils in regular physical activity - the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school
2. The profile of PE and sport is raised across the school as a tool for whole-school improvement
3. Increased confidence, knowledge and skills of all staff in teaching PE and sport
4. Broader experience of a range of sports and activities offered to all pupils
5. Increased participation in competitive sport

We will soon be updating our website to reflect the new funding that we have been granted so you can see what we will be using our money on and how this will impact the children at Cheetwood Primary School.

Year 1 & Year 2 had a special assembly all about the history of the world cup.

Year 3 & Year 6 had a visit from the Salford City football Team mascot.

Extra Curricular Activities

The school is keen to provide a wide range of extra-curricular clubs for pupils throughout the year which are delivered by sports coaches and teaching staff. Through the use of the Sports Premium we currently offer six free sports clubs to pupils in Years 1 to 6. If your child is interested in joining one of the after school clubs, please speak to their class-teacher and they can be added to the list for the clubs starting after Christmas in the Spring term. For more information you can go onto the school website or see your child's class-teacher.

Theo from Year 1 enjoying the match at Salford City F.C.

Calling all Sports Superstars!

At Cheetwood Primary School, we are lucky to have so many children who take part in extra-curricular activities and we want to share and celebrate some of their amazing achievements with the rest of our school community! If you would like to appear in next term's PE newsletter, read on to find out how!

Do you take part in a sports club or other sporting extra-curricular activity outside of school? We want to hear from you! Have you been awarded any medals, badges or certificates recently? Have you achieved something really special that you're proud of? If so, bring your badge, medal, certificate in and show Mrs Clark or Mr Nordon for a chance to appear in the PE newsletter next term. Likewise, if you have any photos of your sporting successes – come and tell us so we can celebrate you in the next newsletter! If you have photos that you would like to send in please send them to:

c.nordon@cheetwood.manchester.sch.uk and put 'PE newsletter photos' in the subject.

In October our Year 3 pupils visited the Etihad Arena to watch the 2022 World Taekwondo Grand Prix.

PE Kit – Whole school reminder

There is an expectation that all children will wear the correct PE kit to school for lessons, it is important that all children have the correct and suitable PE kit throughout the year; this is also an essential part of our school uniform as stated in the home-school agreement. The kit should include the following: white t-shirt and black shorts or Close fitting black leggings/tracksuit bottoms and trainers.

**CITY IN THE
COMMUNITY**

City Play is a bespoke programme that provides physical activity sessions for our children in Nursery and Reception. Each themed session delivers a variety of different fundamental movements and skills in a fun, engaging and inclusive environment. For Nursery and Reception these sessions reflect the areas of learning within the EYFS framework and help children to meet the nationally recognised 3 hours of physical activity per day. Our overall aim is for children to improve their physical development and enjoy leading an active lifestyle from a young age.

Swimming

We are committed to ensuring that every child leaves primary school able to swim confidently and proficiently for at least 25m. All pupils in Year 4 attend swimming lessons every week. During that period qualified swimming instructors deliver specific lessons dependent on pupil's swimming ability.

That's all from me for this year; we hope you have enjoyed hearing about all of the things PE and sport related that have been going on. Remember, if there is something that you would like to see in future PE newsletters, please contact me.

Thank you for reading.

Mr Nordon - PE Subject Leader
