\*Reminder: **Individual and sibling photographs** will be taken on **Tuesday 7th November**

## End of the week information:

\* Thank you to all the parents who have attended your **child's parent meeting** this week. Next week's meetings are for Nursery, Reception, Year 2, Year 3 and Year 6. If you have not yet booked a time slot. Please see the class teacher after school.

\* There was a fantastic turn out at today's **Reading Breakfast**. The English team shared key messages around the teaching of **phonics**. Parents worked alongside their children during the session and were given some ideas to use back at home. See below for pictures from today's session.

Join us next week for a session on fluency. **Friday 10th November - 9am.**

### Year 6 trip

Year 6 went on a walk around our beautiful city on Wednesday. They were following Manchester's Peace Trail. Their walk led them to Manchester Central Library, where they explored peace symbols within the city. We are so proud of how well they represented the school.. Mrs Clark received an wonderful email from the organiser, Lois Gyves, who stated, '*...they were all attentive, curious, well-behaved and polite. They are credit to Miss Jamil and your school.*'

## Words of the week

**irresistible**

Something is so good that you can't stop yourself doing or having it.

**slapdash**

If you are slapdash you do it without thinking or planning and you do not take care.

## Attendance

# How to be safe on Bonfire Night

## Do's

-  Stay far away from the bonfire and fireworks when lit.
-  Only light one sparkler at a time and wear gloves.
-  Before having an adult light the bonfire, get them to check for any animals hiding in it.
-  Keep pets indoors during bonfire night.

## Don'ts

-  Go near a firework after it's just been lit, even if it hasn't gone off.
-  Touch fireworks after they've gone off. Let an adult do that.
-  Touch a sparkler after it's gone out, they're really hot!
-  Let fireworks off after 11pm, it's illegal!

### DID YOU KNOW?

- ★ Fireworks can travel at speeds of over 150mph
- ★ The first recorded fireworks display in England was at the wedding of King Henry VIII in 1486
- ★ The average sparkler burns between 1000°C and 1500°C
