## Year 6 News

Last term Year 6 produced fantastic work surrounding their class book of 'The Promise' which covered issues surrounding society, the human impact on the planet, conservation and mental health and wellbeing. Children were thoughtful, mature and considerate and were able to translate that into a formal letter to our Manchester mayor, Andy Burnham.

We wrote to him asking him for more green spaces for children and young people of Manchester and amazingly, we received the following reply from Mayor Andy Burnham himself. This just shows the impact of our children's writing. The more they read the more power goes into their writing and it's clear to see that Mayor Andy Burnham felt the passion emanating from our Year 6 pupils.

Year 6 Class  
Cheetwood Community Primary School

30 November 2023

Dear Year 6,

I want to thank you all for your thoughtful and articulate letters, sharing your views about green spaces and the local environment in Greater Manchester. It is brilliant to see young citizens like you take such an active interest in shaping our community's future.

Your voice matters, and I would like to assure you that your concerns have been heard. My team and I are committed to ensuring that our local environment is safeguarded and improved for current and future generations. I encourage you to stay engaged with what is happening in Greater Manchester; you are the future leaders of our community, and your involvement is important.

I also learned from your teacher, Miss Jamil, that you are a UNICEF Rights Respecting School, and I am pleased by the positive impact this has had on your school community. With that in mind, I would be delighted to visit Cheetwood Primary School to gain a deeper understanding of this initiative and speak to you about how I have committed to protecting the environment as your Mayor.

In the meantime, keep up the great work with your schoolwork and your efforts to make a difference. I hope to see you all soon.

Very best wishes to you all!

  
Andy Burnham  
Mayor of Greater Manchester
