Important information:

Please be mindful when crossing the road and getting in and out of cars at drop off and pick up times. Over the last few weeks we have seen an increased number of dangerous situations that could have resulted in injury for a child/ parent.

Please encourage your child/ren to make safe choices when crossing the road:

- Cross at the traffic lights
- Use the green cross code: Look left, right and left again. Listen for traffic before crossing
- Never cross from behind a car, van, bus - children may not be seen by oncoming traffic
- Hold an adults hand when crossing
- Ensure children exit the car onto the pavement not the middle of the road
- Where possible, walk to school

* School closes next **Friday 16th February at 3:20pm** and will reopen on **Monday 26th February at 8.40am**.

End of the week:

- * Thank you to all the parents who made it to our show and tell assembly for the children to show you a snippet of what they have been learning this week as we celebrated both Diversity and Children's Mental Health week.
- * There was a great turn out for our writing parent workshop this morning. It is always great to see so many parents showing a keen interest in how their children are getting on and learning new ways in which they can help at home. Please visit our instagram page for pictures of the event.
- * Our first Rights Respecting Right-Holder awards were given out this week and this is to recognise and celebrate the children who are demonstrating fantastic citizenship, attitude and conduct towards others, learning and the wider world. Please keep an eye out for more information on specific articles children will be learning and exploring.

Cheetwood's Article of the Week!
