Friday 9th May 2024

Important information:

* Next week year 6 will be completing their SATs. We understand that there may be a lot of mixed emotions from the children but please remind them, they can speak to any of the staff in school for some support. We are so proud of all of our children.

'Don't get stressed,
Just do your best,
Remember you've been blessed,
With skills the SATs can't test!'

* All year 6 children are able to attend breakfast club next week to ensure they have eaten and are settled in school with plenty of time before they begin. They can also use this time to go over any extra revision they may require with their teacher and support staff.

* On Friday morning, Year 6 will be attending the Apple store in Manchester. Please make sure all permission slips are brought back by Tuesday morning.

* There will be **no mini explorers** next week due the hall being in use for SATs. It will be back in the following week.

End of the week:

* Year 4 and 5 took part in a Robotics Programming workshop with The Royal Air Force's Youth & STEM team.

* On Tuesday morning, Year 3 visited the Apple store in Manchester to take part in a coding workshop. This was a great opportunity to practice their coding skills learnt in the autumn term.

* Thank you to all the year 1 parents who attended the Phonics Parent Workshop this morning.

Rights Respecting Schools - Cheetwood's Article of the Week!

We refreshed articles 4, 28 and 28. Can you remember what they were and why they're so important as part of t charter?

Next week's article of the week is article 5. Can you do some research and find out what it is ready for Monday'

cascading

Lots of water flowing downwards, very quickly.

captive

Not being able to get away.

Attendance

Our school attendance target this year is **97%**

Class attendance for the this week:
