As a result of their persuasive letters he requested to come into school to talk to the children about their ideas for future green spaces. It was wonderful for the children to see the **power of their letter writing**. Well done Year 6! Please visit our instagram page to see the pictures.

Rights Respecting Schools - Cheetwood's Article of the Week!

Article 5 - family guidance as children develop and grow

Governments should let families and communities guide their children so that, as they grow up, they learn to use their rights in the best way.

The more children grow, the less guidance they will need.
